Promote literacy by putting books into the hands of children with 3 types of rewards.

Students have attainable rewards—each \$5 collected in pledges earns 1 point to redeem for a reward book from a large selection of popular library bound and paperback titles. Reward books start at only 1 point.

Teachers earn books for every \$300 collected in pledges from their classroom.

Schools earn a credit of 60% of total pledges collected to purchase books for your library from our wide variety of publishers and thousands of titles including AR, SRC, and Lexile® titles.

Lexile® is a registered trademark of MetaMetrics, Inc.

"There truly is 'power' in reading; and a small investment of 20 minutes a day to obtain all the benefits of reading aloud to children can really have significant educational returns!" - Little Ones Reading Resource, 2009
